

**Thursday 17 May 2012**

The meeting will take place at the [Holiday Inn Sisli Hotel](#) in Istanbul.

<b>Time</b>	<b>Subject</b>	<b>Speaker and title</b>
16:00 – 16:30	COFFEE TO BE SERVED	
16:30 – 17:30	Workshop 1	Bouwes Bavinck and Genders: SCOPE-ITSCC meta study: metastases of cutaneous squamous cell carcinoma: a new study to assess the risk of metastases of cutaneous squamous cell carcinoma.
17:30 – 18:30	Workshop 2	Ulrich, Hofbauer and Imko: National transplant tutorials (Germany and Switzerland) / comparison with Poland and the USA.

19:00 - 23:00	<b>Social programme</b>	<p>19:00 Departure from Holiday Inn Sisli for dinner.</p> <p>19:45 Arrival for dinner.</p> <p>20:00-23:00 Dinner at Istanbul University Baltalimani Social (sponsored by Bioderma).  <a href="http://www.istanbul.edu.tr/sosyaltesisler/index.php/tesis/tesis/resim.html">http://www.istanbul.edu.tr/sosyaltesisler/index.php/tesis/tesis/resim.html</a></p> <p>23:30 Arrival at Holiday Inn Sisli.</p>
---------------	-------------------------	---

BOARD MEETING on Saturday 19 May from 17:30 – 19:00.

**Friday 18 May 2012**

The meeting will take place at the [Holiday Inn Sisli Hotel](#) in Istanbul.

Time	Subject	Speaker and title
	Breakfast in hotel	Mounting of the posters in the hotel.
08:15 - 12:15	Scientific meeting	
		Chairs: Euvrard and Bouwes Bavinck
08:15 - 08:20	Opening of the meeting	Bouwes Bavinck
08:20- 08:35	Abstract 1	Wallingford: Prevalence and risk factors for keratinocytic skin cancer development among renal transplant patients in Manchester, UK.
08:35 - 08:50	Abstract 2	Chong: A high burden of skin cancers is demonstrated in a population of renal transplant recipients attending a dedicated transplant dermatology clinic in Melbourne, Australia: five year prospective data.
08:50 - 09:05	Abstract 3	Skillman & Zwald: Skin Cancer among Kidney Transplant Recipients Treated with Belatacept.
09:05 – 09:35	Keynote speaker 1	Green: How to design a good study: secrets from epidemiology.
09:35 - 09:50	Abstract 4	Krynitz: Melanoma in Swedish organ transplant recipients: a description of clinicopathological traits.
09:50 - 10:00	EXTRA TIME FOR DISCUSSION.	
10:00 – 10:30	COFFEE BREAK AND POSTER VIEWING	
		Chairs: Hofbauer and Gjerswik
10:30 - 10:45	Abstract 5	Wang & Proby: Epigenetic regulation of potential novel tumor suppressor genes in melanoma.
10:45 – 11:00	Abstract 6	Sandvik: Dendritic cell populations in skin of renal transplant recipients with and without squamous cell carcinomas.
11:00 - 11:15	Abstract 7	Barrette: Effect of AKT inhibition on epithelial mesenchymal transition in cell lines representing progressive stages of cutaneous squamous cell carcinoma.
11:15 - 11:30	Abstract 8	Purdie: Evaluation of a quantitative molecular diagnostic system for early detection of squamous cell carcinoma of the skin and vulva.
11:30 – 11:45	Abstract 9	Plasmeijer: Betapapillomavirus infection profiles in tissue sets from cutaneous squamous cell-carcinoma patients.
11:45 - 12:00	Abstract 10	Nindl: Novel cellular targets of HPV and their role in skin cancer.
12:00 - 12:15	EXTRA TIME FOR DISCUSSION.	
12:15 - 13:00	LUNCH	

**Friday 18 May 2012**

	<b>Social programme</b>
13:00 - 18:45	13:15 Departure from Holiday Inn Sisli. 14:00-18:00 Topkapi Palace and Hagia Sophia. 18:45 Arrival at Holiday Inn Sisli.
19:30 - 23:30	19:30 Departure from Holiday Inn Sisli for dinner. 20:00-23:00 Dinner at Leb-i Derya Restaurant (sponsored by Eczacibasi). ( <a href="http://www.lebiderya.com/richmond/eng/ana1.html">http://www.lebiderya.com/richmond/eng/ana1.html</a> ) 23:30 Arrival at Holiday Inn Sisli.

**Saturday 19 May 2012**

The meeting will take place at the [Holiday Inn Sisli Hotel](#) in Istanbul.

<b>Time</b>	<b>Subject</b>	<b>Speaker and title</b>
08:30 – 12:30	Scientific meeting	
		Chairs: Stasko and Ulrich
08:30 - 08:45	Abstract 11	Seçkin: What is your diagnosis? A renal transplant recipient with multiple skin-colored papules on the face and neck.
08:45 - 09:00	Abstract 12	Euvrard: Cutaneous cryptococcosis in solid organ transplant recipients: epidemiological, clinical, diagnostic and therapeutic aspects.
09:00 – 09:15	Abstract 13	Kanitakis: Nephrogenic systemic fibrosis with osseous metaplasia in a kidney/pancreas transplant recipient.
09:15 – 09:30	Abstract 14	Lebbé : Arterial aneurysm with distal ischemia in allografted patients: beware of angiosarcoma.
09:30 – 09:45	Abstract 15	Güleç: Thermal water versus hyperthermic tap water for the treatment of recalcitrant hand warts in organ transplant recipients: a patient-blinded, comparative preliminary study.
09:45 - 10:00	Abstract 16	Chong: A survey of sun-related attitudes and behaviours among Victorian renal transplant recipients.
10:00 - 10:15	EXTRA TIME FOR DISCUSSION	
10:15 - 10:30	COFFEE AND TEA BREAK WITH POSTER VIEWING	
		Chairs: Billingsley and Proby
10:30 – 10:45	Abstract 17	Bouwes Bavinck: SCOPE and ITSCC pain study. The results.
10:45 - 11:00	Abstract 18	Schmults: Factors predictive of recurrence and death from cutaneous squamous cell carcinoma (SCC): Implications for tumor staging systems.
11:00 – 11:30	Keynote speaker 2	Serra: Targeting mTOR-mechanisms and clinical applications.
11:30 – 11:45	Abstract 19	Sully & Akinduro: The mTOR inhibitor rapamycin opposes carcinogenic changes to epidermal AKT signalling.
11:45 - 12:00	Abstract 20	Dziunycz: ATF3 – an oncogene induced by UV and CsA.
12:00 - 12:15	Abstract 21	Hofbauer: Loss of mesenchymal CSL signalling leads to a field cancerization phenotype with multifocal epithelial tumor development.
12:15 – 12:30	EXTRA TIME FOR DISCUSSION	
12:30 – 13:15	LUNCH	

**POSTERS**

1		Russell: Nurse Led Transplant-Dermatology Annual Skin Surveillance Clinic- 4 year audit data.
2		Erin: High dose capsaicin increases skin Substance P content in rats.
3		Jahn: Disseminated Kaposi Sarcoma in a Renal-Transplant-Recipient responsive to Thalidomide a case report.
4		Kryś: Sebaceous carcinoma in patients on long term immunosuppressive treatment.
5		Borgogna & Zavattaro: Beta Papillomavirus Replication in Hair Follicles Provides a Model for Their Reactivation in EV Patients and Organ Transplant Recipients.

**Saturday 19 May 2012**

	<b>Social programme</b>
13:30 - 18:45	13:30 Departure from Holiday Inn Sisli. 14:00-15:30 Bosphorus Tour. 16:00-18:00 Grand Bazaar (Covered Bazaar). 18:45 Arrival at Holiday Inn Sisli.
19:30 - 23:30	19:30 Departure from Holiday Inn Sisli for dinner. 20:00 - 23:00 Dinner at Zarifi Restaurant. ( <a href="http://www.zarifi.com.tr">http://www.zarifi.com.tr</a> ) 23:30 Arrival at Holiday Inn Sisli.
